

The UAE Malaysia Power Ladies Roundtable 2011 event will have some of the most powerful and influential businesswomen from the United Arab Emirates meet up with their counterparts in Malaysia and explore the investment environment in the country.

Now that Women are playing an increasingly important role in global business, the aim of the Power Ladies Roundtable programme is to highlight their growing influence and provide them with a platform to network with other women from around the world.

The President of DBWC, Mrs. Raja Al Gurg, the Vice President Mrs. Faiza Al Sayed along with members of the Board which include, Mrs. Khawla Lootah, Mrs. Fathiya Al Khamiri and Mrs. Samia Saleh, will visit Malaysia from December 5th to December 9th along with a high-profile group of women from Abu Dhabi Business Women Council . This visit was planned after DatinPaduka Seri RosmahMansor, the wife of the Malaysian Prime Minister Dato' Seri NajibTunRazak, had initially met with the ladies at the Invest Malaysia Forum 2011 that took place in January in Abu Dhabi.

Power Ladies Roundtable discussions aim at opening clear paths of communication by exchanging ideas on important topics, such as the shared values of successful women in modern society. They also serve to enhance inter-cultural relationships and the sharing of information and expertise to support women entrepreneurs.

More information about this trip will be available on our Dubai Business Women Council website.
