

Brian Frankel

CEO - Frankel Consulting Group

Brian founded Mentor Matchmaker in 2012 to build mentor programs for companies, associations, universities and nonprofits. Frankel's unique and proven process on how marketing campaigns should be designed is the foundation for his marketing firm, the *Frankel Consulting Group*.

His ability to execute is the same reason brands like Coca Cola, MySpace, SPIN Media, Creative Artists Agency, Innovation Protocol, WayFounder and Ferrazzi Greenlight enlist his consulting services on marketing strategy.

In the midst of full time international work, Brian teaches marketing workshops at California Universities. Brian's newest technology startup is called WASTA Tickets, the largest family of Sports and Entertainment fans in Asia. WASTA launches in Dubai in January 2017.
