Natasha Sideris
Founder, Creative Director and Managing Executive
Tashas

Natasha Sideris is the Founder, Creative Director and Managing Executive of tashas, a restaurant business with 15 locations in South Africa and three locations in the UAE.

When Natasha opened the doors of the first tashas in 2005, she had no idea that the brand would grow to where it is today with plans to expand internationally, with a best selling cookbook, and over 2000 staff.

The journey has been a fascinating one - where she has broken rules, redefined opportunities, and built an extraordinary brand.

Her story is compelling and one that will inspire others to rethink how to build and develop a successful business. In her talk, Natasha gives a humble and personal account of the 8 lessons she has learned throughout her career. These lessons are ones that the audience will be able to incorporate in to their own lives, careers and businesses.
