

Mélanie Lapointe Bio

Executive Coach - Facilitator - Trainer

Mélanie Lapointe is the Founder & Lead Consultant of *Blooming Eloquence* a consultancy offering Executive Coaching, customized Inter-Cultural Agility training, Women Recognition workshops and Professional Training services.

Mélanie is a Global Citizen on a mission to make the world a better, more equitable and sustainable place, through enhanced human interactions and improved business practices. Passionate with a sparkling personality, Mélanie's path is experienced and sophisticated, her entrepreneurial profile driven by her strong sense of self-reliance and goal-oriented hardworking personality. Mélanie's journey as an Executive Coach is influenced by her genuine care for others, seeing her clients blossom opening up to being their best selves is one of her greatest rewards. Mélanie is an ICF accredited Coach with an additional *Inter-Cultural Intelligence Coaching Certification*

from KnowledgeWorkx in Dubai. With a strong background in Educational Leadership, which she practiced in Canada, Spain, Morocco, Turkey and Dubai over the past 10 years, Mélanie uses her impactful public speaking, in several languages, for various audiences to spread her genuine love of sharing to inspire meaningful impact.

Mélanie was featured as the most International External Facilitator for 2019 Q1 by Google for the *#IamRemarkable* initiative, empowering women and under-represented groups to find their voice. Associate of Marmalade Fish, Mélanie contributes to bring humanity back to business, through the lens of culture & values. With a distinguished sense of etiquette, Mélanie always works to the highest standard with ethical and culturally respectful approaches. Board Member for *e7banat - Daughters of the Emirates* and active member of *Dubai Business Women Council*, giving back to the community contributing skills and knowledge is dear to her as she values the benefits of strong supportive networks. Applying the mantra 'Keep your head, heels and standards high' by Coco Chanel in all her work, she is hoping to inspire others find their own motto for an improved world in which humanity is at the heart of every practices.
