UAE women lead in Forbes' list of most powerful Arab women:

Raja Al Gurg took first place in family business category

The UAE's Raja Easa Al Gurg took first place in the family business category for her work as the managing director of the Easa Saleh Al Gurg Group and is President of Dubai Business Women Council. [Read the full article here](#)

DBWC supports the Arabic Women in Leadership Summit

The Dubai Business Women Council (DBWC) is now the official supporting partner for the Arab Women in Leadership and Business Summit, it said on Sunday.

On September 22 and 23, the summit hosted women business and government leaders from around the world, officials said.

The conference included group discussions, interactive panels and networking sessions, which focused on financial, legal, political and entrepreneurial empowerment of women.
