

“Women belong in all places where decisions are being made.... It shouldn't be that women are the exception.”

Ruth Bader Ginsberg

OVERVIEW

INITIATIVE OUTCOMES

- Be Future-Ready & Future-Fit
- Transform your mindset towards Abundance & Opportunity
- Gain Essential Knowledge about Future Business Models, Governance, Compliance and more

"In the future,
there will be no female leaders.
There will just be leaders."

- Sheryl Sandberg

ABOUT

An Executive Board Leadership Program and Movement to match and place women on advisory boards and high impact roles.

WHY?

Everywhere in society and in organizations, research clearly demonstrates that diversity & women being involved in leadership roles, contributes to the health & success of that system.

Fiduciary Duty - It is the responsibility of every executive board to be '**future fit and future focused**' including exponential dynamics of tech & business transformation.

Inclusion - Tapping into the **abundance** of independent world class women executives, fully certified and future ready, should be just a click and a conversation away.

True Change - We support organizations to change from the **inside-out** and, more significantly, for independent women advisors to support, influence and impact from the **outside-in**.

WHAT?

An **Accelerated Executive Development Program** to enable women to be Future Ready for Boards.

Matching & Placements for certified women to be placed on Board Seats & Leadership Positions.

An **Exclusive Networking Ecosystem & Ongoing Development**.

HOW?

Faculty - An Executive program Future-focused for organizations led by top global diverse faculty.

Peer Group Learning - It provides foundation to advanced learning with peer group iteration context & practical.

Content & Curriculum - It provides context & Practical Exercises that you don't encounter at business schools or normal work environments.

We already have established support from **international & regional organizations, governments and associations** endorsing & supporting the initiative.

We have tremendous interest from **many accomplished women who wish to be part of the first cohort**, this is a movement that will impact business & humanity.

More than 10% of all profits will be donated to institutions supporting women's causes

THE CORE CONCEPTS & PROGRAM

“No one ever became a success without taking chances...
One must be able to recognize the moment and seize it without delay.”

Estée Lauder
