

PwC Legal Middle East

HR Support

Immigration and employment laws in the UAE can be complex and best practice changes regularly. As a result, keeping up with developments and managing your employees in a legally compliant way can be expensive and time consuming. PwC HR Support helps you manage costs and minimise people related risks Starting from as little as **USD 1,000** (plus VAT) per month with no hourly bills or hidden costs. In return, you receive the following:

Telephone access to our immigration and employment law specialists. You can call anytime between 8:30am and 5:30pm, Sunday to Thursday and speak to one of our immigration or employment experts.

Our team will provide you with verbal advice on any UAE immigration or employment issue

Regular legal updates on immigration and employment matters

Exclusively for DBWC members, a 20% discount on our hourly rates for any immigration and employment services provided outside of HR support.
